ORDER

Open Meeting
January 11 and 12, 2005
Phoenix, Arizona

BY THE COMMISSION:

Having considered the entire record herein and being fully advised in the premises, the Arizona Corporation Commission ("Commission") finds, concludes, and orders that:

FINDINGS OF FACT

1. Arizona Water Company ("Arizona Water" or "Company") is an Arizona corporation engaged in the business of providing water utility service to the public in portions of Arizona pursuant to authority granted by the Commission.

2. On November 18, 2004, Arizona Water filed for Commission approval of Tariff No. TS-275, Temporary Service.

3. On November 23, 2004, Staff requested Arizona Water to waive the thirty (30) day "time clock" period contained in A.R.S. 40-367.C to allow staff additional time to review the filing.

...

5. Arizona Water currently has an approved Tariff No. TC-243, *Terms and Conditions for the Provision of Water Service*, that contains general provisions concerning the Company's provision of Temporary Service.

7. To aid in the provision of temporary water service, the Company has requested a detailed Temporary Service Tariff setting forth particular terms and conditions for specific customer requirements as well as the Company's responsibilities concerning temporary service.

9. Arizona Water submits that the proposed tariff would serve the public interest by providing better information that would improve a customer's ability to obtain, and the Company's ability to provide temporary service.

11. Staff recommends that the Commission approve the Temporary Service Tariff No. TS-275.

1. Arizona Water is a public service corporation within the meaning of Article XV of the Arizona Constitution and pursuant to the provisions of A.R.S. §40-367.

3. Notice of the filing was provided in the manner prescribed by law.
